

Changes to organizational structure in Fortuna Group

Amsterdam/ Prague – Fortuna Entertainment Group N. V., the largest Central European fixed-odds betting operator and lottery provider, announce changes to its organizational structure at the level of its subsidiaries, as of January 1, 2013.

Effective December 31, 2012, Fortuna Loterie a.s., provider of numerical and instant lottery games in the Czech Republic and FORTUNA GAME a.s., fixed-odds betting provider in the Czech Republic, merged. FORTUNA GAME a.s. became the successor company.

Subsequently, effective January 1, 2013, a part of the company FORTUNA GAME a.s. which related to numerical and instant lottery games in the Czech Republic and pre-paid mobile top-ups, was contributed to the company FORTUNA sázky a.s., a 100% subsidiary of FORTUNA GAME a.s.

A one-third interest in FORTUNA ZAKŁADY BUKMACHERSKIE SP.Sp. z o.o. in Poland, which was originally owned by Fortuna Loterie a.s., was transferred to company ALICELA a.s.

The above changes have been solely organizational ones and they have no impact on current trading and contractual relationships or business performance of Fortuna Group.
